

CANNON STREET INVESTMENTS

Cannon Street's CSI ONE LTD bond provides a 5 Year fully secured 10% yield invested in a spread of global equities.

The portfolio includes top ranking securities to ensure the correct mix of liquidity but includes fast growth small, mid-cap stocks and early stage companies. The spread across global markets and sectors provides additional risk mitigation.

This is a unique way for the debt market to gain a direct, broad and secure exposure to the global equities market with solid and reliable returns.

The outlook is bleak for small and mid-cap companies. Companies have closed, jobs have gone communities are shattered.

Your investment through CSI ONE into growth companies creates real and sustainable jobs through investment in fast growth companies with a spread across sector and geography which individual investments could not achieve. All this is done with your investment fully secured on the underlying assets.

Creating jobs gives people life, hope and prosperity across the world.

CSI ONE Ltd

10% 20/25 Frankfurt Listed Bond
Senior Secured | 10% p.a. Coupon | Paid Quarterly

RISK WARNING

Investors should be aware that there are risks to investing in all corporate lending. Reliance on this financial promotion for the purpose of engaging in any investment activity may expose an individual to a significant risk of losing all of the cash, property or other assets invested. If you are in any doubt about the action you should take or the contents of this Document, you should contact your stockbroker, solicitor, accountant, bank manager or other professional adviser who is duly authorised under the UK Financial Services and Markets Act 2000 (or similar legislation in your country or jurisdiction), who specialises in advising on investment in bonds, shares and other securities, including unlisted securities. This offer is not regulated by any financial regulatory authority. Investors will NOT have the benefit of any compensation scheme. **YOUR CAPITAL IS AT RISK.** You could lose all of your money invested in this Product. This is a High-Risk investment and is much riskier than a savings account.
